

# Independent Ocean Services

**Adding value to your business**

## Independent Ocean Services

Independent Ocean Services is a freight forwarder and NVOCC. We are specialized in shipping containers, breakbulk, dry and reefer containers or ro-ro cargo from Canada to Africa, and our knowledgeable staff are dedicated to help our customers in getting the most cost-effective and reliable ocean and inland modes of transportation to any area in Africa.

**From any origin in Canada to all African destinations and beyond**

Independent Ocean Services offers access to the whole African continent from Canadian ports and ramps. We focus on proposing the best options in terms of routes and rates only on reliable services.

In the same way we can arrange door pick up from any point in Canada, we are expert in delivering shipments, through our extensive overseas network, to out of the path and remote locations in Africa.

The Specialists for your shipping needs from  
Canada to Africa

## Our Services

Our experience and deep knowledge in international transportation allow us to provide our customers with a personalized service and independent approach guaranteeing the best transportation option through flexibility and reliability, while giving them the possibility to track their shipments from start to finish.

Independent Ocean Services proposes weekly sailings from all major ports in the USA & Canada, with cargo accepted from any interior points in USA & Canada.

We take care of all cargo types whether it is vehicles, containers, industrial machinery, dry and reefer containers or project shipments.

In order to make the job easier to our clients, we can arrange: customs export formalities, cargo insurance, ocean equipment purchase, container stuffing (vehicles), specific country certificate compliance, fumigation, etc...

Thanks to our multilingual staff (English, French, Spanish), we focus on superior customer service with personalized assistance and we aim at bringing our expertise and connections to your business development.
